

FURKAN KAPUKAYA

JUNIOR SOFTWARE DEVELOPER

ABOUT

I am a person who is open to self-development, aims to gain experience and benefit himself and the company he works for. I am a person who adapts to teamwork, is focused on solving problems, is fast and does not give up, keeps up with new technologies quickly, and tries to convey what I know. Having worked in the company I work for many years and taking responsibility in all areas. I want to show myself.
